super citrus

Lemon, lime, grapefruit, orange ...
we love their clean, energizing scents.
So go ahead, perk up with one
of these fun finds.

1. Brighten up your home with the light, lemony aroma of **World Market's Golden Yellow Citrus Candle**. Later, you can store trinkets in the sweet container (\$14.99, worldmarket.com).

2. Refresh and refocus with **The Body Shop Satsuma Body Mist**. Featuring a delicate orangey scent, it's subtle enough for tweens—if you want to share (\$13, thebodyshop-usa.com).

3. Choose **Ebb & Flow Fresh Ginger Lime Soap** for an invigorating scrub. Wrapped with a paper flower, each pair of bars also makes a pretty gift for a pal (\$18 for two, ebbandflownyc.com).

4. The refillable **Intelligent Nutrients Crystal and Aqua Pendant Innercalm Aroma Set** holds white grapefruit aromatic oil. Sniff it or dab it onto skin whenever you need a lift (\$25, intelligentnutrients.com).

5. Evoke exotic orchards with the **Mixture 12oz Soy Cocotte Fill Candle in Blood Orange**. When the candle's gone, you have a ceramic baking dish for making tiny treats with your kids (\$30, mixtureonline.com).
