"I'm really into graphic textiles for my home right now," says *Lucky* fashion director Anne Keane, who counts German artist Anni Albers and Brooklyn crafters Cold Picnic among her current favorites. "And that obsession is definitely starting to influence my wardrobe." This season, she's incorporating interior-inspired patterns by adding striking accessories that give every look a playfully chic feel. "I'm looking forward to taking a break from my usual neutrals and making stripes my go-to print instead," she says.
